

Healing Harmonies, LLC

****\$1,000 relocation/sign on bonus available for qualified candidates****

Are you tired of not having a say in the development of your art therapy talents? Are you passionate about the field of Art Therapy and are ready for a leadership position that would lead to transforming the lives of those in need through the power of art? Then this position could be for you!

Healing Harmonies is seeking a driven, growth-minded and dedicated Art Therapist to join our dynamic team of Licensed Art Therapists and Board Certified Music Therapists in a newly created leadership position as Head of the Art Therapy!

We are a rapidly growing private practice, providing services to Milwaukee, Waukesha and surrounding Counties. Our philosophy is highly patient-centered and our mission is to make quality music and art therapy services accessible to those of all abilities/disabilities throughout our community who are in need of maintaining or improving their health and/or quality of life through the power of the expressive arts.

This position will include providing direct art therapy services as well as process, service, and marketing development as the leader work with the goal of making art therapy services more known and accessible throughout the local community.

Though this role is in development, duties include:

Working with leadership team to assist in recruiting, training and mentoring a team of qualified art therapists that best fit the needs and values of HH.

Collaborate with Director of Operations (DOO) in developing AT budget and maintaining inventory of products on hand.

Assist CEO and DOO in hiring process, candidate decisions and onboarding process

Assist HH team in creating and implementing opportunities for increased collaboration and/or communication.

Stay up to date with current Art Therapy trends, research and state and nation-wide events related to the field

Presenting at in person events about therapy as well as attending networking events to best represent the field. Services and supervision are provided at our Wauwatosa office location as well as in the community and so extensive driving is required at times.
